ENROLLMENT FOR SEPTEMBER 2019

It is hard to believe that we are already planning for the '19 -'20 school year! CCP will again offer an 'opt-out' option to those parents who are unable to fulfill the monthly classroom volunteering portion of the co-op.

There will be a limited number of 'opt-out' spaces available and the full opt-out fee of \$420 will be due in full in July.

Enrollment forms will be available at CCP and on our website. Enrollment forms and the \$75 registration fee for returning families are due back before January 10th. (The registration fee is non-refundable, non-transferable and is per family not per child.) After January 10th we will not be able to guarantee a spot for your child.

Enrollment for Old South church members and siblings of CCP alumni will take place the 2nd week of January. Enrollment forms and the \$75 registration fee are due back before January 17.

Enrollment for new families will begin the 3rd week of January. Enrollment forms and the \$75 registration fee will be accepted after January 17th and processed in the order that they are received as space allows.

Please be sure to speak with me or any staff member if you have questions regarding enrollment for September 2019.
